Session Fees

Individuals: \$165 for one hour, \$95 for 30 minutes.

Groups and Corporations: \$225 for one hour, \$125 for 30 minutes. This rate also applies to theatres, film companies, and schools.

Calling Costs: Free Zoom and Skype-to-Skype worldwide. Phone sessions: No additional cost within the continental United States, at prevailing per-minute costs worldwide. (Paul recommends Zoom, as it allows you to connect quickly and easily with Paul through a link he will send you in an e-mail.)

Session Recordings: You will receive an audio and video recording of your session FREE of charge. We provide download links to the recording, placed on a personal, password-protected page created for you, like [this](#); the address of this page is private. You are also welcome to record the sessions at your own end.

Discounted Publications: If you are working on a particular dialect, the cost of the relevant [single-dialect booklet/CD or eBook](#) is discounted by 50%. Our larger collections, such as [ADSS](#) and [DBI](#), are offered at a 10% discount in conjunction with one or more coaching sessions. Other packages (involving the lease of [show-specific streaming-audio files](#), for example) can be negotiated at an inclusive price.

Cancellation Policy: Cancelling or rescheduling a session within 24 hours of the appointment, or your unavailability at the time of the scheduled session, will incur a 50% late-cancellation fee.
